REMOVING MATERIAL SUCH AS TREES, DEBRIS AND SEDIMENT

Is the area for vegetation clearance, earthworks or land disturbance occurring within the wetland or within a 10 metre setback from the edge of the wetland for the purpose of restoring the wetland?

YES

Have you advised Council in writing of what you plan to do, using the online wetland works notification form?

This must be 10 working days prior to you undertaking the work

NO

STOP THE ACTIVITY

Speak to Council

The activity will require a plan so Council can ensure there will be no damage to the wetland

YES

Council will review your plan to ensure it will not result in damage to the wetland

The plan may be accepted or be altered to ensure there is no damage to the wetland

NO

If the activity is not for the restoration of a natural wetland, The activity may be authorised through Resource Consent providing the natural wetland will not be harmed
