

**RESOURCE MANAGEMENT ACT 1991  
TASMAN RESOURCE MANAGEMENT PLAN**

**DECISION ON AMENDMENTS**

**Private Plan Change Request 70: Network Tasman**

Council has made a decision under clause 29, Schedule 1, to approve with modifications, Private Plan Change Request (Change 70): Network Tasman to the Tasman Resource Management Plan (the Plan) and decisions on matters raised in submissions. This decision is the adoption of the recommendations of a hearing panel on the matter. However, as the decision on the change request has no legal effect yet, the Plan will not be amended until the Plan Change Request becomes operative, that is, after any appeal has been resolved.

Council will serve on the requester (Network Tasman) and every person who made a submission, a copy of this public notice and advice on the time within which an appeal may be lodged. Decision documentation on this Plan Change can be viewed on Council's website <http://www.tasman.govt.nz/link/trmp-pc> under the specific Plan Change.
