## COUNCIL SUBSIDY COUPON FOR E-WASTE

### How it works:

Nelson and Tasman ratepayers are entitled to claim one subsidy per year to a maximum amount of \$20 (including GST), when recycling e-waste items (anything with a plug or battery) with approved e-waste recyclers. The subsidy is only available at point of transaction with participating e-waste recyclers, and this coupon can only be redeemed for Nelson or Tasman street addresses, not PO Box numbers.

### To the retailer:

Please send your GST invoice for up to \$20 (including GST) per transaction as per the conditions above. If you are not GST registered, please invoice for the amount paid for each subsidy with GST subtracted. Please send the completed coupon/dockets with your invoice quoting a purchase order number to:

Creditors Officer, Nelson City Council, PO Box 645, Nelson 7040
