

Freedom camping in the Tasman District

Welcome to our home, we hope you have a great time while you are here and take away wonderful memories of our little piece of paradise.

We prefer people to stay in official camping grounds and other accommodation, so, if you want to freedom camp there are some rules.

We ask that you respect our environment and leave it clean for others to enjoy too.

YOUR SAFETY IS VERY IMPORTANT TO US

A few things to keep in mind on your stay:

- 1** Ensure that your chosen camp site is clear of roads and traffic
- 2** Do not set up camp next to a river. Keep an eye on the forecast as flash floods can occur in some areas.
- 3** Our environment is not a toilet – please don't use it as one.
- 4** Take all of your rubbish with you.
- 5** The Tasman District can be very dry in the summer months - please do not light a fire unless you have a permit. Permits may be obtained by calling 0800 658 628 or by visiting www.checkitsalright.nz
- 6** As well as areas controlled by the Council, there are also Department of Conservation areas where you can camp, these can be found here:
www.doc.govt.nz/parks-and-recreation/things-to-do/camping/
- 7** Rangers work throughout the district. If they find people breaking the rules they may issue \$200 fines or prosecute offenders.

We don't want to be miserable but we do have to protect our district for everyone, so please be responsible campers and play by the rules.

Have a great stay and help us keep Tasman beautiful.
