A REPORTS

A.1 Pub Charity Application Funding Resolution Report..... 5

A REPORTS

A.1 PUB CHARITY APPLICATION FUNDING RESOLUTION

Decision Required

Report To: Community Development Committee
Meeting Date: 12 February 2015
Report Author: Chris Choat, Community Relations Manager
Report Number:

1 Summary

- 1.1 This report is supplementary information to Item 9.5 on the Community Development Committee agenda for 12 February 2015, paragraph 9.1.
- 1.2 The second stage of the upgrade of the Motueka Recreation Centre is now underway with funding from the Council, Lottery Grants Board and Canterbury Community Trust. The management of the facility have recently informed staff that the floor of the roller skating rink is in need of minor repair, sand and reseal. This work could be carried out in conjunction with the floor replacement, sand and reseal happening in the indoor courts area as part of the upgrade.
- 1.3 Staff have prepared an application for the full value of the preferred quote of \$9,850. The project will not proceed without external funding.
- 1.4 The next round of the Pub Charity grants close on 13 February 2015 and this is the round that will need to be applied to get the benefit of tying in with the existing timeframe of work at the Motueka Recreation Centre.

2 Draft Resolution

That the Community Development Committee:

1. receives the Pub Charity Application Funding Resolution report; and
2. supports the submission of an application of \$9,850 to Pub Charity for the repair, sand and re-seal of the Motueka Recreation Centre roller skating rink floor surface.
